Urquidi, a documented member of the Southside Whitter street gang, has an extensive adult criminal history that began at the age of 18. His convictions include grand theft auto, vandalism, burglary, accessory to a crime, possession of burglary tools, vehicle theft, evading police: disregard for safety, hit and run: property damage, under the influence of a controlled substance, and fugitive from justice. Urquidi has served multiple state prison terms the longest a 56 month term for evading police: disregard for safety. Urquidi was released from state prison to the supervision of the Los Angeles County Probation Department on July 28th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2013 after Urquidi absconded from post release community supervision (PRCS). Urquidi qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft falls under the guidelines for PRCS under the California penal code. His prior criminal history, gang affiliation, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
